Being a prominent manufacturer of Plastics Flexible Packaging which goes from Plain Plastic Rolls, bags, Sheets to the mass range to Printed Laminates, BOPP Bags etc. Besides, we have an ever-growing clientele, which includes some of the most reputed names from the corporate world of Textile Houses, Automotive, Paints, Tool Industries etc.

The company has arisen from a humble beginning, however, high principles, sincere devotion, clear vision and hard work have converted this seedling sown into a blooming tree. Dass polymers Pvt. Ltd. is a fast growing company with a growing turnover year by year. This was possible just because of extensive expertise, a passion for progress which made most of our clients to choose us as their business partners. The Company has gained new heights under the able guidance and dynamic leadership of Mr.Himanshu Garg & Mr.Ankur Garg. It has always been the company's endeavor to maintain international standards and it is because of a commitment towards quality consciousness that the company has earned great appreciation.
